SOUTHEAST REGIONAL FIRST LEGO LEAGUE TOURNAMENT

Join students from Juneau, Sitka, Hoonah and Skagway for this exciting event! The FIRST LEGO League is a "sport for the mind" that introduces elementary and middle school students to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface. FLL teams, guided by their imaginations and adult coaches, discover exciting career possibilities and, through the process, learn to make positive contributions to society.

What FLL teams accomplish is nothing short of amazing!

It's fun. It's exciting. And the skills they learn will last a lifetime.
