

DO YOU MISS PLAYING WITH LEGOS???

Join the FIRST LEGO League – FOR ADULTS!

JEDC will be hosting a special fundraiser – giving adults a shot a building and programming their own LEGO robot!

What: Adult FIRST LEGO League Challenge (Check out the rules & Missions @ <http://www.usfirst.org/roboticsprograms/fll/missions1.aspx>) -- 3-10 members per team.

When: · March 1 – 1st day you can pick up robot kits
· March 20 – TOURNAMENT DAY! (4 PM - Finish)

Where: TBD

How much: \$430 Registration Fee (Donation to JEDC)

WHY: The FIRST LEGO League is a *great* program for kids ages 9-14 that builds problem solving skills and a lot more! The adult league will help purchase more supplies for the program and hopefully inspire more MENTORS to get involved.

Call 523-2334, email rparks@jedc.org or stop by JEDC’s SpringBoard Education Office at 603 W Willoughby Ave to register.

CONTACT ME! I’d like to (check one or both!):

- Sponsor a Team (\$430)
- Be on a Team

Name: _____

Email: _____

Phone: _____

What you’re buying:

FLL Robot Set (Limit of 1 per team, Requires Windows Vista/XP or Mac OS X)

- US 979792
- \$395.00 USD
- Shipping (estimated at \$23. Depends on number of kits ordered.)

Description:

Requires Windows XP, Vista or MacOS X

Recommended for new team. The set can be used from year to year and it includes all components needed to build and program a robot.

- NXT Educational Software: The PC- and MAC-compatible software interface has intuitive, icon-based drag and drop environment for “building” programs. Includes 40 interactive tutorials.
It comes with an FLL Team license.
- 1 Intelligent NXT Brick
- 1 Rechargeable Battery
- 1 Charger
- 3 Interactive Servo Motors (rotation sensor built in)
- 2 Touch Sensors
- 1 Sound Sensor
- 1 Light Sensor
- 1 Ultrasonic Sensor
- 1 USB Wire
- 7 Connection cables, different lengths
- 3 Lamps
- 3 Converter cables
- Over 1,000 LEGO elements
- Building Instructions
- 2 Storage Box with Sorting Trays

Kits will be used for JEDC summer programming camps and then donated to one of the Southeast teams for the 2010 FIRST LEGO League season. Hopefully some of you will enjoy it so much you'll want to mentor a team next season ;)!

LET THE GAMES BEGIN!
