

2025 INVESTOR FORM

Please complete the below form, or invest online at [JEDC.org/invest](https://www.JEDC.org/invest)

The JEDC Investor Program is designed to engage businesses and organizations who support economic development in Juneau. By becoming a JEDC Investor, you will directly contribute* to initiatives that foster a healthy and sustainable economy, including helping make Juneau a great (capital) city; strengthening key regional industries; promoting entrepreneurship and small business; and developing next generation talent.

With our comprehensive and consistent marketing, your business or organization will be recognized on all JEDC presentations, websites, newsletters, and collateral materials. Investment levels range from \$700** to \$10,000+ with increasing benefits. Additionally, your sponsorship of specific JEDC events, such as the [Innovation Summit](#) or the [Juneau Maritime Festival](#), will increase*** your overall Investor recognition level.

Packaging is customizable, and we look forward to connecting with you to discuss your goals so you get the most return on your investment! Any questions or concerns? Please reach out to our JEDC Investor Team at invest@jedc.org or (907) 523-2326.

JEDC's Five Areas of Focus

We want to ensure your contribution is going toward JEDC programs and initiatives that support your organization's own values and goals.

Please select at least one of the following areas where you want to focus your investment!

Help Make Juneau a Great (Capital) City

Support our efforts to revitalize downtown, promote housing affordability and availability, and attract new people to live and work in our great (capital) city!

Strengthen Key Regional Industries

Support our efforts to expand Juneau's position as an economic hub for visitor products & tourism, oceans industries (including maritime and mariculture), arts & culture, renewable energy, mining, and research and development!

Develop Talent

Support our efforts to attract and prepare the next generation workforce, including improving access to early education and childcare, delivering high-quality STEM programming for K-12 students, supporting university/post-secondary education, and addressing eldercare workforce issues!

Promote Entrepreneurship and Small Business

Support our efforts to build Alaska's startup ecosystem through angel investing, create opportunities and resources for entrepreneurs, make loans to small businesses, and encourage people to buy local and keep dollars in Juneau's economy!

Deliver Economic Development Services

Support our efforts to be a medium for city & state government to emergency small business relief funds, organize the statewide Innovation Summit, and produce economic research to inform the public and elected officials!

Wherever funding is most needed.

Thank You for investing in Juneau!
