# BENEFITS

Overall Happiness  
Healthy Lifestyle  
Trusted Relationships  
Exceptional Wellbeing  
Natural Fulfilment  
Inexpensive

Enhanced Quality of Life  
for you and your pet!

# WHY NOW?

As the Juneau population ages, the chances of finding proper care for your critters are getting slimmer.

As the economy changes, so does the pet/human dynamic.

Less spay/neuters

+

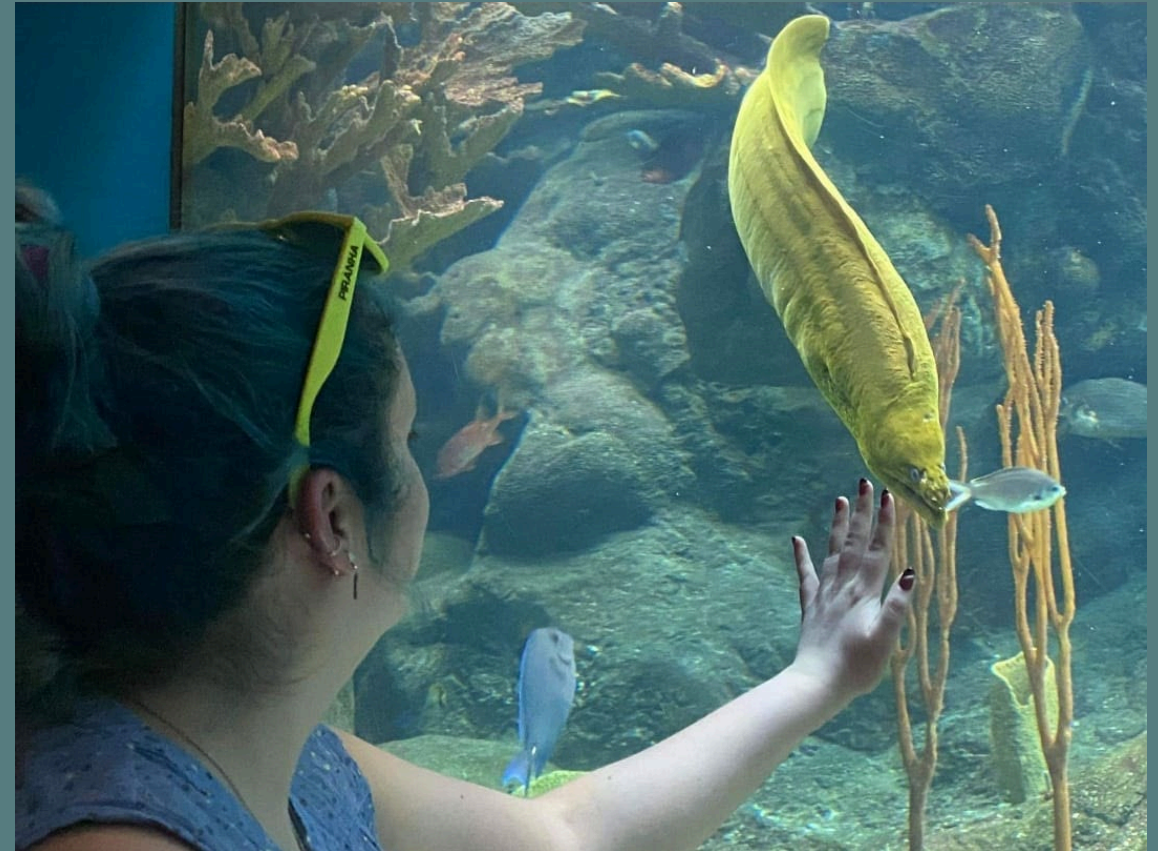

Lack of Available Services

+

Less Adoptions

=

Increased euthanizations  
& homelessness

We want to help!

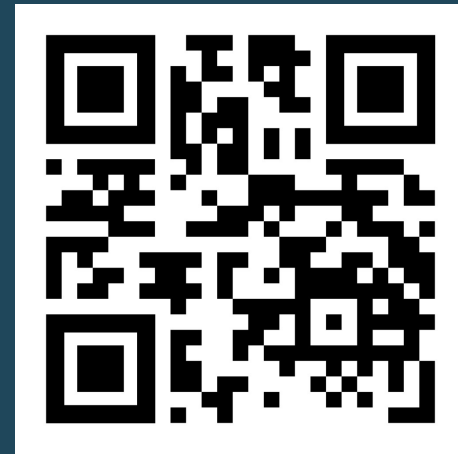

Any Questions?

# THANK YOU
